Dg. Lawrence—Dear Sir: Your Koekoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since child-hood. Sho lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the hody. Whilstin this condition she commenced taking your Koskoo. R acted like a cherm on her; under its use the ulcers gradually headed, and her general health greatly improved. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a specific for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. She is now in better health than she has been in fine years.

With the highest regards, I am gratefully yours, etc.
